

WESTERN BALKAN NETWORK ON TERRITORIAL GOVERNANCE

The Western Balkans Network on Territorial Governance (TG-WeB) is a **voluntary, non-project-based platform of bottom-up cooperation**, undertaking policy advocacy and pioneering research across the region, to enhance domestic territorial governance and impact in a 'unique voice' the EU integration of the WB countries from a territorial governance perspective.

TG-WeB welcomes **members** from the civil society sector, and research community and academia, including individuals with distinguished contributions on territorial development and governance. TG-WeB promotes and supports **cooperation** between places, between people, and between sectors.

The Network's **mission** is to catalyse changes that develop and support innovations on better territorial governance for Western Balkan in line with its European Union ambitions.
